

LESSON PLAN PUTTING YOUR RESEARCHING SKILLS TO THE TEST

WRITE **2**

OBJECTIVES

- Select a person, company or place to research relevant to your publication
- Using a number of sources complete planning sheets

TASKS

Introduce the session to your group and what you would like them to gain from it

Talk with the group about what may work in their publication and allow them to share their ideas and reasons for what might be suitable

Using the worksheets provided and any device available, iPads, computers, phones, books etc complete the sheets

Short break for feedback and any problems the writers may have
