

LESSON PLAN

REVIEW WRITING

PART TWO

WRITE **2**

OBJECTIVES

- To plan and write a review that shows knowledge and understanding
- Ensure writers share their own opinions in the review

MATERIALS

Worksheets

Newspapers & magazines

Computers/iPads

Notebook & pen

TASKS

Introduce session to your group and what you would like them to gain from it

Hand out planning sheets to writers. If these weren't determined allow time for writers to decide what they would like to review

Start planning review on sheets

Check in for any questions or feedback

Continue review planning/writing and do any fact checking if necessary

Questions and close.

DISCUSSIONS

Are your writers confident with what they have selected to review?

What is the key info an audience will look for in a review?
