Consider three things that would make someone want to watch this movie that you enjoyed yourself. Write about them in the boxes below in as much detail as possible to show your readers that you know what you are talking about when it comes reviewing this movie.

These could include, the story, the special effects or even a certain actor. **But make sure you explain why these things are important.**

As we all know, nothing is perfect. So share with your audience **something that you think wasn't as good as other things or something that you thought let the movie down.** This shows you are unbiased in your opinion.
