

## PLANNING A PHONE REVIEW

### KEY INFO

Here is some of the key info you might like to include in the introduction to your mobile phone review. Using these will give your reader an indication if this review is useful to them.

**BRAND:**

**MODEL:**

**COST:**

**NETWORK:**

**MEMORY:**

**CAMERA:**

Consider three things that would make someone want to go and buy this phone. Write about them in the boxes below in as much detail as possible to show your readers that you know what you are talking about when it comes reviewing this particular mobile device.

These could include the things you can do on your phone, the quality of the camera, or how you might be able to drop it in water and it doesn't stop working. **But make sure you explain why these things are important.**

As we all know, nothing is perfect. So share with your audience **something that you think wasn't as good as other things or something that you thought could have been better about this phone.** This shows you are unbiased in your opinion.
