

TOP TIPS FOR REVIEWING

Make sure you share the **key info** at the **beginning** of your review

Know **everything there is to know** about what you are reviewing

Research the things you are not sure of by watching a movie again or listening to a song

If reviewing a book, movie or TV show **do not spoil it** by revealing what happens at the end

Be able to back up what you think is **good** or **bad**

Be **honest**

Give whatever it is you are reviewing a **rating**

Conclude your review **with your opinion**
